To

The Principal,

We at NIIT have been authorized by NIIT Foundation to serve the society by empowering our young girls with skills that will help them to get equipped with knowledge that will help them to get a decent start in Job. It will further help them to get self employed and help their family financially.

This has been an Initiative of L&T Limited, and We have been authorized by them and NIIT foundation to fulfill these requirements mentioned below.

- To provide vocational training to 40 female students, who are from economically weaker sections of society (18 to 26 years of age) in geographies of interest to NF.
- ☒ These female students will be between 18 to 26 years of age, pursuing college, completed school or dropped out of school after completing grade 10 and who are in search of jobs.
- ☒ Family income of the candidate should not be more than 3Lac.
- ☒ The objective is to train these female candidates in industry aligned courses so that they are employed post completion of the training.
- ☒ The trainees post completion of training will exhibit basic IT & Basic English communication skills, personality development, career orientation and industry knowledge.
- ☒ To create awareness about employment opportunities available in the IT / service sector.
- ☒ To enhance the skills of the participants who join the program.
- ☒ To train them to uplift their family income.
- ☒ It will be the responsibility of Service Provider that a minimum 90% of those who are seeking jobs will be placed and will get Jobs within 60 days from the date of completion of the program.

We look forward for your cooperation in providing us the details of such girls who are 10<sup>th</sup> pass and have been school dropouts because of family problems, It's my humble request to help my team in providing the details of such girls.

Regards

Taruna Taneja
